

C. W. Muls

Fittie Metis

Aug 9. 1887

Dear Mr Muls,

I have yours of  
the 8th and am glad  
that Lawrence is willing  
to fit up the dynamo  
on the terms stated. I  
think the offer a good  
one and that it had  
better be accepted and  
acted on. I have just  
now written to D. Rhums  
who is at Murray Bay  
and have explained

The matter to him and  
asked him to send  
any suggestions he  
may have to you.

I think however that  
he will be satisfied  
with the arrangement.

I feel that it  
will be a great ad-  
vantage to interest  
Lawson in the matter  
and hope the terms

His offers will prove  
mutually satisfactory. He  
is quite right in wishing  
to have a first English  
letter and I have  
no doubt he will  
do the best he can  
with the dynamo.

I shall enclose his  
letters in case you  
may wish to refer to  
them.

With all kinds

Regards to you and my  
Mother from myself and  
Lucy Dawson,

Ever  
Yours sincerely

Lucy Dawson
