Dear Sir

The attached Slip
will explain delay in
filling your order, which
we greatly regret. We
had to keep our goods
covered up for several
days. We are glad today
that matters are nearly
straightened up.

Unfortunately our stock
of old 25 papers were
among the greatest sufferers,
being almost entirely
destroyed. We sent you

100 of the best we could
pick up last Friday,
owing to their State, we
made no charge for
them at all. Today
we mail you 1. Egypt
Syna^s + 6. Facts, all
of which we trust, will
arrive in due time. The
copy of Romanist Reform^{er}
will be at once procured

Yours Respectfully
Wm. D. Phelps
