

1149 Dorchester St.
Montreal.

17th Oct 87

Dear Sir William -

Opening
the last volume of the
proceedings of the Royal
Society of Canada I
found inside the cover
a note from you
which evidently accompanied
the volume and which
I fear I have not
acknowledged. The date
is so old I dare not
mention it.

I trust that you
will not take my thanks

as ~~any~~ the less sincere
because they are late

Faithfully yours

W. C. Dawson
