Dear Sir William

about 9 o'clock last night  
I received a Printed letter from Dr Murray  
of 17 Pages, I at once read it over, and now  
send it to you, I think if Judge Torrance  
and Mr Ramsay had been alive, he  
never would <sup>have</sup> written such a document.

I have not been able to be out this  
week. Could you call between 5 & 6 or  
any time this evening, I should like  
Mr Brackenridge to send me the Minute  
Book and report of Committee.

I will be at home }  
all day }

Yours very truly  
J. Ferrier
