CHELSEA, LONDON,

Dear Sir William

S.W.

Today I have got this proof of your  
Eozoon paper, prepared for the next  
Geo. Mag. number of the Geol. Mag.  
It was unavoidably delayed until now.

I could not get the two photographs  
engraved for you at a cheaper rate  
with any approach to goodness.

They have been executed by the  
same engraver who made Prof.  
Prestwick's figure (of which a copy  
was sent to you). The other but larger  
top-shaped Eozoon wd. have cost <sup>at least</sup>  
as much as the large figure & wd. not  
have come out well in detail unless

somewhat ~~to~~ enlarged.

Please to tell me how to send  
the two clichés to you. They  
weigh 1 lb 6<sup>1/2</sup> oz

Let me offer the Best of Good  
wishes for the new Year & for many  
Happy Years to You & Yours -

I am very Truly

Wm. Jones

I need scarcely say that I have  
seen Prof. Blake again about Roydon  
& his views thereon, - & he must wish  
your views to be stated - as in the  
Postscript to the paper - so I have added  
your letter to the paper

Wm. Jones

P.S.

I will order 50  
separate copies of  
the Paper - 25 for you &  
25 for me.

I will also ask for  
a duplicate Chickée of  
Prestwich's cut, to send to  
you with the other two. -  
This will increase the  
weight of the packet of  
Chickées by a few ounces.

W. H. D.
