Dear Gen Willson

I thank you very much
for your valuable letter which
I shall take with me tomorrow
for signature

In looking over the manu-
script since you returned it (which
I should have done before) I find
I made up a two slips - in particu-
lar I have been guilty of the un-
pardonable offence of speaking
of Bertrams in a very disparaging
way - Regarding them as "maxims"
rather than accurate things
I used the term "whats" instead of
"whoms" My mind by running on their
patrimony rather than on themselves -
some other Heenikes. - But I, intended
to use these simply as what for a speech
at our next com mittee meeting

& I wanted to be sure that I
had expressed myself correctly
about Mr. Child & our relation
to it. As you I did so

your letter will be of great
service

I am your truly
