Commas July 2. 1888

My dear Sir William,

I beg to

withdraw my name from the  
list of applicants for the office  
of Registrar of dear old Dr. Sill.

Let me express my sincere thanks  
for the personal friendships and  
interest shown on my behalf.

I am not yet quite prepared to  
take a Clerkship at \$1500.00  
but at the same time cannot

help saying that I am sorry to  
lose the opportunity of holding a  
position so congenial to my tastes.

I shall always love the name of  
the old College and remember  
its pleasant associations.

Long life wish and to its Professors!

I often wish I could give some a  
helping hand financially.

Believe me

Very sincerely yours

L. L. L.
