Sir J. William Dawson

Sir

Several ladies and gentlemen  
of this city, have made  
arrangements for a concert  
& to take place in Knox  
Church Lecture Hall, in  
aid of the extensive building  
fund of the Girls Department  
Pointe aux Trembles school,  
and the committee of  
management feel, that it  
would greatly ensure the

success of this effort, to have  
the distinguished patronage  
of Sir William Dawson;  
and have therefore instructed  
the Secretary to solicit the  
same at an early date,  
so that it may be mentioned  
on the programme.

Reference has been permitted  
to Rev. F. M. Dewey, and  
Rev. James Fleck!

Hoping Sir that you will  
send an early reply,  
granting this favor  
(on behalf of Committee)
