

From Sir J. W. Dawson F. R. S.
Rev. W. C. WINSLOW.

Dear Principal Dawson:

I shall examine with renewed interest your "Egypt & Syria" — which you have kindly sent me — to see if it varies from the printed, which I have & have often

Publicly referred to.

Such little books
(little in size) & clear
ways of putting
valuable data &
scientific discussion
before the public, as
witnessed in "Egypt &
Syria", are doing a vast
amount of good for truth
& knowledge.

Ever cordially,
Wm. C. Whitson
