Dear Sir William Dawson,

I am much  
obliged to you for the  
copy of your very interesting  
little book "Egypt & Syria".  
I shall read it with  
much pleasure.

I am waiting for the

Last of the samples from  
the recent deeper borings  
in the Nile Delta, before  
preparing my report on  
them for the Royal Society.

With very kind regards

Believe me to remain

Yours very faithfully

Wm. D. Smith
