

U.S. Geological Survey
Washington, D.C.

Feb. 28, 1888.

Sir J. W. Dawson,
Montreal.

My Dear Sir:-

It was very kind of you to send me your Geological History of Plants. I have already dipped into it and find it very interesting. I shall read every word with profit and instruction. Thanking you most heartily for remembering me

I remain with great respect

Yours very sincerely

Lester F. Ward
