

THE DALE,
TORONTO.

My dear Sir William

I duly received
your note. I hope to reach
Montreal on Wednesday, but
cannot yet say what train
I shall arrive by, but will
let you know before I come.
I will come up direct to
McGill Coll., if this will be
convenient to Lady Dawson
and yourself.

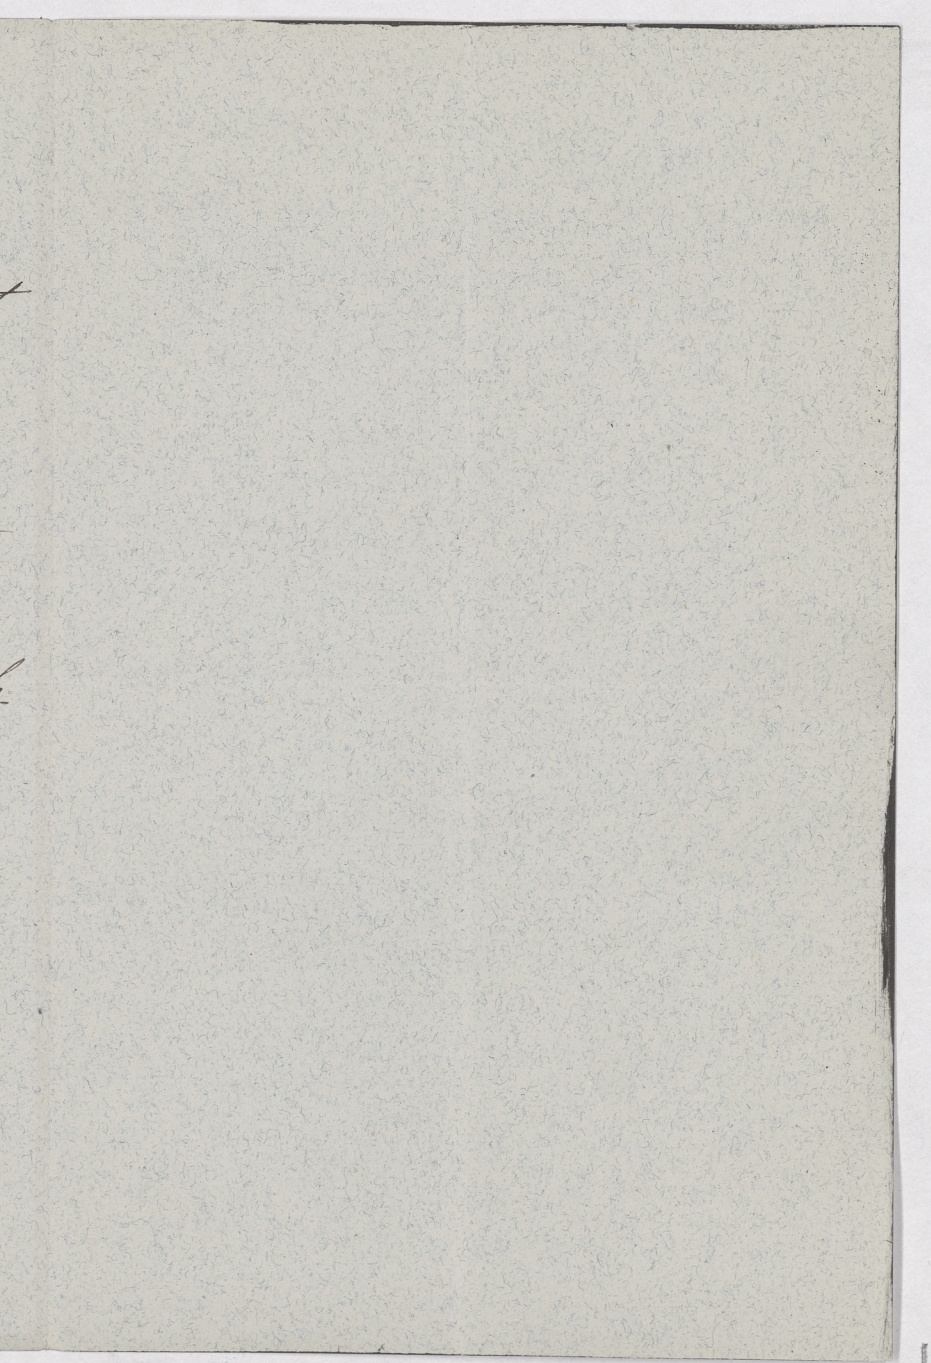

I will as you suggest

THE LANE
TORONTO

prepare a short abstract
for the papers.

With kind regards to
Lady Dawson, believe me

Yours sincerely
Charles F. P. Mac
