Dear Sir William

I beg to acknowledge  
your esteemed favor, and thank  
you sincerely, for the interest  
you have taken to get Dr  
Shaw on the Council of  
P. S. and trust your efforts  
will be crowned with success

I think you are right  
in giving the Old German Professor  
the \$20. from all I can  
learn, there is not much hope  
of his ever resuming work

Faithfully yours

Sam. Phelps
