

Sir J. H. Pauson,

Dear Sir William,

The Governor General, Lord  
Lansdown, the Patron of the "N.S.S."  
has gone home as you are aware  
and the Society is now without  
a Patron. It occurred to me that  
some steps should be taken to  
get Lord Stanley to become  
Patron in the room and stead  
of Lord Lansdown, at as early  
a date in Sept, as possible.

The "Field Day" to Mountbelle was  
a decided success and was very  
well reported by the Press. It was  
a disappointment to the whole party  
that you were not present, I explained  
that it was utterly impossible for  
you to get away, I also presented  
your compliments to Mr. Papineau.

Everything in connection with the  
"Field Day" has been settled up  
and a small balance remains  
to the good.

Yours very sincerely,  
"Montreal"  
June 25<sup>th</sup> 58

Prof. W. L. Garrison,

West Hill, New York,

The enclosed papers, for  
your perusal, are taken from the  
files of the Society, and are  
of great interest. It would be  
well if you could be taken to  
get your copy of the same  
from the Society and other  
of your friends, as we are  
a little in debt to you.
