H. S. HULL, Publisher.

THE STEUBEN COURIER,

BATH, STEUBEN CO., N. Y.

Dictated to Stenographer.

July 30, 1888.

Sir J. William Dawson,  
Montreal,  
Ontario.

Dear Sir:-

I send you by this mail a copy of my paper, the "Courier," containing an article on "Science and Religion," which I prepared for my Bible class of young men. You will find in it an allusion to, and quotation from your book, "Nature and the Bible," which I have found of inestimable value.

Sincerely yours

*H. S. Hull*
