Dear Sir William,  
May I have the  
pleasure of introducing to  
you Mr. J. S. L. Bodley who  
intends to spend some  
time in Canada and the  
United States. Mr. Bodley  
has been travelling lately  
in South Africa and he  
has published <sup>in Blackwood for July</sup> an interesting

article bearing on our  
policy in the Crimea  
and another on President  
Brand in the Fortnightly  
Review for this month.

I suppose that we shall  
not have the pleasure  
of seeing you at the  
next meeting of the  
British Association. It  
will probably not be of  
much general interest to

unless Stanley or some  
of his followers arrive  
unexpectedly.

I am  
very truly yours  
G. Pitt-Rivers

Sir William Dross, F.R.S
