Dear Sir William

I was exceedingly sorry to  
learn from the paper some days  
ago - that you sustained some  
injuries from a fall. The accounts  
given did not say whether the injuries  
were of a serious nature or not -  
and as I am anxious to know  
perhaps with Lady Darnley or  
my own daughter would be kind  
enough to write & say how you  
are - Sincerely hoping that  
you have fully recovered from the  
effects, believe me with best  
wishes your truly
