Dear Sir William Dawson

I was very
unfortunate, as I arrived
at Kamloops just two
days after Dr. Dawson had
struck his camp & gone over
the mountains & no one
knew in what direction
he had gone, I stayed in
the neighbourhood of Kamloops
where I was very hospitably
entertained by one or two
of the Ranchmen, but finding
there was no tidings of
your son & the climate not
suitsing me very well I

I decided to come back to
the North West, & arrived here
last night, having taken your
advice & stopped two days at
Banff, which is a delightful
place. I am staying here
about a week & then go
North to Edmonton. I am
very sorry I missed Dr. Durr
but hope to meet him on
our return to more civilized
regions.

With kind regards to Lady
& Miss Dawson

Believe me

Yours very sincerely

John W. Forsyth

I should like to have looked at
the whole lot, a number of
last night; having taken you
again a stopped for day at
Barrington which is a delightful
place. I am staying here
about a week or there for
about a week. I am
now over I cannot be sure
but hope to visit him on
our return to more suitable

region.
With kind regards to Lady

Believe me

Yours very sincerely

Dear Sir William

I am very

unfortunate, as I cannot

do the work of the first two

days after the summer has

ended, but I am sure you will

be understanding & will see

me in what I can do

in the best way, I depend on

the neighbourhood of the

where I am very happy

to be situated & am a true

of the members, but finding

them more in the way of

you are & the climate is

rather more so than I
