WESLEYAN COLLEGE
MONTREAL

Oct. 17th 1888.

Sir William Dawson B. C. M. G. & C.

My dear Sir William,

Accept my sincere
thanks for your kindness
in the presentation of your
work to the library of the
College, which I should have
acknowledged at an earlier
date had it not been for
absence from the city and
recent illness;

I join with many in
praying that your life

May be long spared to
witness for the truth.

Very sincerely yours,
Geo Douglas.
