St. Tower St.
London 9. Nov. 1858

Dear Dr. Dawson

I received the telegram
from Mr. Hunt a few days
since informing me of his
Father's death which I much
regret. I have now to thank
you for your letter of the
29th Oct., which I intend
forwarding today to my brother
James in Wales, I shall
not probably get a reply
from him by Monday the
12th, when I will write to

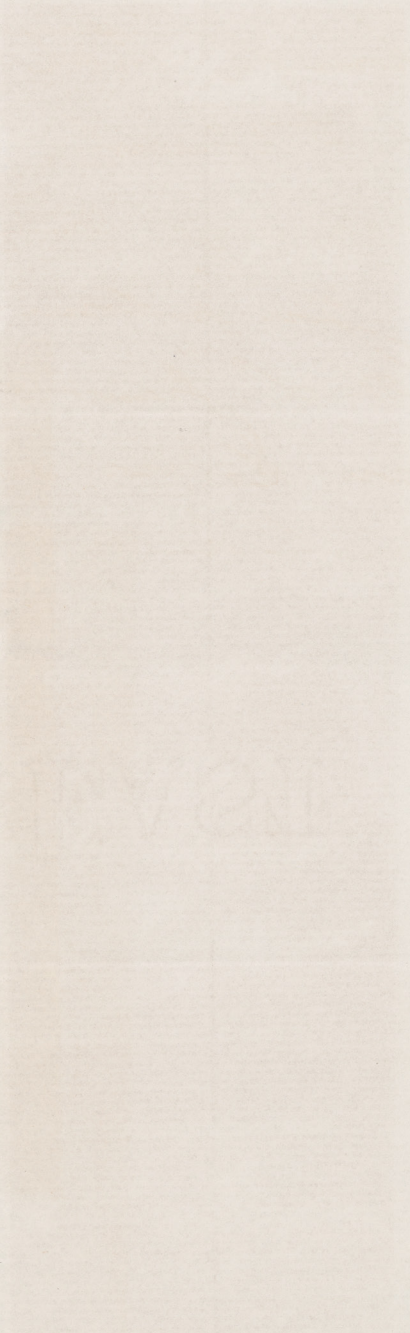

you again. I think it
^{Capt. Stewart!}
possible that James will
go to Canada to look into
various matters.

You inform me that W.
A. L. Grant is of age, but
you do not inform me how
much he is beyond 21 years

I am
yours truly
Alex. Stewart
