Dear Sir William

I must sincerely thank you for your kind remembrance of me during my sickness and for your delightful book - which I shall enjoy reading very much - It will recall my scientific studies of the 4th yr. During the last year or two my reading has been mostly confined to medical literature.

I am glad to say that I am gradually regaining strength and

Dear Mr. Willson

I have received your kind

letter for your kind remembrance

of our church and brethren

and for your kind interest

in the cause of our country

and we will be glad

to hear from you at any time

and to hear of the

prosperity of our

country and the

prosperity of our

country and the

prosperity of our

country and the

prosperity of our

hope soon to be all right
again.

At present I am
staying with a kind
friend Rev. A. B. Mackay
for a few days before
I leave town -

Again allow me
to thank you not only
for the present but all
the past interest you
have taken in me -

I am

Yrs respectfully
