Dear Sir, I called on you some
days ago since with me
into London from Liverpool &
you were so good to give
me for the English form, as
I will have of your own
now, that I can do the
I find it very hard to
you a paper of the
I have been in London
and I have seen the
as well as the
I have been in London

[Faint, illegible handwritten text, likely bleed-through from the reverse side of the page.]

The Rev Mr Seery has written me almost
 this morn about the Chemist's plates, he thinks
 it will meet your approval, The edis is
 established a month or so in this beautiful city,
 and I may say dreams of you in a Merchant
 Princes in five good notes in many cases, before
 meet for next Bar Rooms, The Commercial investment
 such institutions, and we will have paid hundred of
