

Mr. Mercier & the R. C.  
Committee puts Mr. Bea-  
-frid in a very painful  
position & is apparently  
most dishonest. Dr.  
Heneker's recollection, as  
doubtless you know, cor-  
-responds with yours and  
that of others - I think  
that we ought to have  
a special meeting.  
Things look as if our  
only chance lay in  
a complete separation.  
With all good wishes to  
you & yours, I am  
Truly yrs.

R. W. Norman.
