Dear Sir William

It will be perfectly convenient, to meet you at the Normal School Committee on Wednesday afternoon, and as I am free after our meeting, I will be very pleased to have a conversation with you, if you can walk home with me, or if your time is limited I will go with you as far as the College.

I am so interested in the College work, I find it hard to tear myself away from the City.

Yours very truly

Sam Stibley
