

A. W. VOGDES,
1st Lieut. & R. Q. M., 5th Arty.

Fort Hamilton, New York Harbor,

March 5th 1889.

Dear Sir :-

Will you have the kindness to send me by mail copies of your valuable articles on "the faults and foldings of the Picton coal field, Note on fossil woods and other plant remains, from the Cretaceous and Laramie formations of the western territories of Canada" also on "Cretaceous plants from Fort McNeill, Vancouver Island", - with a statement of the amount due for the same.

We shall be pleased to exchange publications. -

Very respectfully,

A. W. Vogdes
