

Cote St. Antoine

Friday

Mar. 15/89.

Dear Sir Wm. Dawson,

The specimen
I sent is a deformed
hen's egg laid yesterday
and was sent me
to place where I would
do most good
by Miss Severs. If you
care to accept it for
the museum retain
it please.

Truly Yours,
T. Wesley Mills.

Dr. Morley Mills

~~Adelphi~~

[Faint, illegible handwriting on lined paper, possibly bleed-through from the reverse side.]

Handwritten text, likely bleed-through from the reverse side of the page. The characters are faint and difficult to decipher, but appear to be in a cursive or semi-cursive script. The text is arranged in several lines, possibly forming a list or a short paragraph.
