Dear Sir William Dawson -

I beg to acknowledge the receipt of your letter of the 9th inst. speaking in terms of commendation of Mr Thomas D. Green, B.A.Sc. of McGill University, who has graduated in surveying and engineering.

I have pleasure in informing you that Mr Green was previously known to me favorably, and he has been for

several years past,
 and I have endeavored,
 and I think with success,
 to promote his interests
 up to the present time,
 and I shall have much
 pleasure in using my
 efforts in that direction
 in the future so long
 as he continues to merit
 it. I do not think
 that Green has anything
 to complain of so far as
 the Government is concerned,
 as he has been shown
 every possible consideration
 more particularly in consequence
 of his nationality.

Believe me to remain
 yours sincerely

Sir William Dawson
