The Cash account certainly  
showed a balance of \$24.53  
for last month, overpaid,  
not in favour of the Society,  
and there is still some  
accounts due the Contractors  
so you can perceive.

Dear Sir William,  
that the balance of  
\$1974 will barely  
carry us over the  
Summer, as we  
cannot expect any  
funds to be collected  
or come in before the  
Fall,
