EARNSCLIFFE,

OTTAWA.

Dear Sir

June 15/89

Dear Sir William

Thanks for your note
and report. The Committee
have taken the right course
in applying to the Provincial
Govt and Legislature for
aid. By persistent
complacent and unscrupulous
from the Protestant inhabitants
of your Province, you will
do much - Nothing can
come of the present agitation
in Ontario, except perhaps
in this - that it may warn
the Catholics of the several
Provinces not to arouse
Protestant susceptibilities too
much. Yours very sincerely
J. M. Macdonald

Genl McDougal
