Principal J. W. Dawson,

My dear Sir,

Your esteemed favor of the 31st ult. was duly received and read with much pleasure.

I have requested my publishers to forward you a copy of "West Coast Shells", which I beg you to accept, with my compliments.

Any literature bearing upon the problem of evolution, which, according to your suggestion, you may be able to conveniently send, will be read with interest.

Sincerely yours,

Josiah Kemp.
