Dear Sir William

It occurs to me  
that I ought to have  
apologized to you  
more than I did,  
for giving you  
the trouble in  
your kindness of  
coming into the  
library of the Society  
& meet my friends  
Mr & Mrs Penchar

I felt uncomfortable  
at their delay in  
the library - Professor  
Borey attracting  
them one way and  
I wanting them to  
come the other  
Kindly excuse  
Yours faithfully  
Hosur Taylor
