Dear Sir

I think you will remember
me as Science Master in the High
School of this city:

I write to ask if you will kindly
write me a certificate to the effect
that I am gold medalist in Geology
Class of 1878 McGill College and
that I am competent to make
geological examinations of
mining and other properties -

I have been doing work or less
of this work every summer for this

past few years -

I wish to use the Certificate for
which I ask in connection
with the examination of some
of the Serpentes of the Eastern
Townships

Yours respectfully
J. G. Donald
