Dear Sir William:-

The Rev. J. M. Gibson
D.D. of London has kindly
consented to deliver a
lecture in Stanley St. Ch.
on Thursday eve. next:
His subject will be: "The
Unity and Symmetry
of the Bible." We hope to
have a fine audience

and are sure of an excellent
lecture. We will be much
pleased if you will preside
on the occasion Dr. Gibson
thinks it will assist in
securing a more successful
evening if you will kindly
do so. I trust no previous
engagement will prevent
your taking the chair.

Yours most sincerely
