17 Oct., 1889.

Dear Sir Wm. Dawson,

I recall our
pleasant acquaintance
and membership at South-
port, & as I am
just about to pay
a brief visit to
Montreal, I hope to
accept your kind
invitation of so
long ago by calling
upon you one or
about Monday.

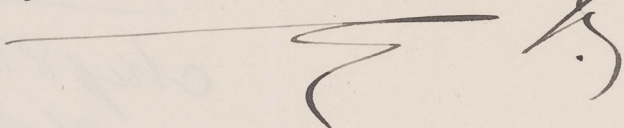

We have had

rather a rough
passage from Livor-
pool. Your neigh-
bour, Miss Victoria
Campbell, is one
of our party.

M^{rs} Middleton
& I spent a delight-
ful evening with
the Gladstones on
the 7th.

Trusting that
you are all well,
& hoping to see you
& Hochelaga soon,
I am,

Dear Sir William,

Yours very truly,
B. Montagu Middleton,

Sir J. W. Dawson, F.R.S.,
etc., etc.
