Dear Sir

I have received your letter of the 8<sup>th</sup> Inst. with Mr. Grant's letter to you of the 26<sup>th</sup> Sept. enclosed.

I am quite willing that Mr. Grant should have the discharge which she wishes & also W. A. J. Grant, but I do not see that it can be of much consequence to the letter as I understand that Mr. Grant is sole Executive. I shall be obliged if you will instruct Mr. Williamson to do what is necessary in the matter.

I am sending your letter &

enclosure to my brother James  
& your regards to him & his  
daughter, they were both much  
pleased with their visit to  
Canada & with the Canadians  
& Americans whom they met

I am  
yours truly  
Alex. Stewart
