Dear Sir William

I send you
over a Photo of my Father,
as I believe you expressed
a wish to have one. I only
received a package yester-
day from England. I think
they are the best ever taken,
so I hope you will like it.
You were always such a

faithful friend to him.
in life ~ in death, & was
ready to give him full
acknowledgment for any
thing he was able to do for
others. & this he appreciated.
It gave him a great deal
of pleasure - though he said
little about it.

With kind regards

Yrs Sincerely
Emma H. Lucas
