My Dear Sir

I make bold enough  
to write to you - My University  
father - I am now doing  
Evangelistic work and I find  
it profitable to teach Bible  
lessons by showing the peculiar-  
ities of O.T. types. I have been  
thinking of the Raven and the  
Dove as types of Sin and the  
Holy Spirit. I have Dr Thompson's  
"The Land and the Book", but can't  
get much particular information  
of the character of those birds. I  
will be ever so much obliged  
to you if you can give me

The least information of  
those two birds which acted  
as messengers during the  
time of the Noahic Flood,  
or tell me when I can get  
such information concern-  
ing Old Testament types -

I am Always One of the  
Lovers of the Good Work -

Walter Russell
