MUSEUM AND OFFICE, SUSSEX STREET, OTTAWA.

Jan. 12th, 1890.

To Sir William Lawson C.M.G., &c., &c.

Dear Sir,

The only list of fossils from St. Helen's Island that I know of, is one contained in a paper by Mr J. T. Donald, on "The Lower Helderberg Rocks of St. Helen's Island," published in 1881, in the Canadian Naturalist, Vol. IX, New Series, page 302.

Very truly yours,

J. F. Whiteaves.
