

in the way we spoke of. It
will be all the better that we
something definite can be done
in this matter and in the
Mutuals God offices as a
lever I hope the acquisition
of the few plots may not be far
off. The situation of the house
is good and with some alterations
and additions may have as you
suffer a considerable part
of the present position of the
College grounds attached to
it and set apart for the

official use of the Lady Students
it could not have been made
into excellent quarters for
the Victoria College

Believe me
Sincerely yours
Darius B. Smith

Proulx
Montreal, 1st July 1890

Dear Mr Mann

It was with much satisfaction
I found from your note under
private cover of the 20th that
the prospect is nearer than
we thought of when we had
some conversation on this
subject a few days back & of
the late Mr Parkmans property
being brought to sale and
I trust it may be secured
