Dear Sir William,

I Enclose copy of the  
B. A. Bill as passed third read-  
ing.

I saw D. Macfarlan on Friday  
night and he said the School Com-  
missioners were going on with their  
Bill about division <sup>taxes from</sup> of Corporations  
~~tax~~. I think just at present it  
would be just as well to leave it  
but as he insists I must go on.

Yours truly  
Thos. Hall
