Dear Sir,

If you consider the  
"Idylls of the King" which  
you were kind enough to  
accept for the Library of  
McGill Univ. possesses  
sufficient merit, may  
I ask of you the favour  
of a recommendation of  
the work to any of the  
College Libraries you  
may be acquainted with  
in Canada or the

United States?

I am anxious to  
circulate the work as  
widely as possible, but  
without some such  
introduction I am afraid  
I shall not meet with  
success, being comparatively  
unknown.

Dear Sir  
Yours faithfully  
Arthur J. Douglas

Sir Wm Dawson C.M.G.
