Montreal Nov 15/90

Dear Sir William

I sent you up all  
the cuts for your two Royal  
Society papers in the present  
vol. They are not likely to be  
ever required by the Society  
and if they are you will know  
of it. The parcel went by  
express. Let me know if it  
does not reach you

Yours truly  
S. D. Dawson

Sir William Dawson
