Dear Sir William

Many thanks for the

pamphlets you sent me. I shall
read them with great interest.

Since I saw you on Saturday
afternoon our plans have been
somewhat changed. We have
abandoned the idea of going to
Quebec I shall stay in Montreal
until Wednesday morning when
we purpose to leave for Toronto.

I hope to have the pleasure
of seeing you again before

We go & I will call at any time
that may be convenient to you
to-day or to-morrow.

I remain
Yours very sincerely
Sydney J. Hickson
