Faculty of Applied Science.

DEAN. HENRY T. BOVEY.

M.A., M. INST. C.E., F.R.S.C.

19th May 1890

Dear Sir William,

My permanent address
in England will be Bank of
Montreal, 22 Abchurch Lane,
London E.C.

I suppose that you have already
explained to Mr. Redgrave the
reason of having testimonials
sent to him. I think it very
advisable that he, and other
governors who may happen to
be in England, should see
the candidates,

UNIVERSITY OF LIVERPOOL
DEAN HENRY T. BOWEN
M.A. 1862-1863

We expect to reach Liverpool about
the 15th June, and I hardly think
that it will be possible to
send complete information in
time for the June meeting
of the Governors. This, however,
will not be of much consequence,
if the position of the appointments
is left to a Committee.

My foot is progressing, and I
hope to get rid of my crutches
this week, although I may have
to travel with them to Liverpool.

I have explained to Prof. M'Leod

all matters connected with the
issue of the Announcements, and
I think there should be one issue
in two or three weeks and
another in August. As soon
as Mr. Taylor can prepare a
perspective view of the buildings,
it might be reduced and
inserted with the advertisements.

Truly yours,

Henry J. Bowyer
