

Montreal July 9/90

Dear Sir William

Thanks for

your letter of yesterday  
and I feel that it is wrong to  
trouble you when you are having  
your well earned and very  
much required rest. I will  
be very brief however

I would only ask you if the  
appointment has been made  
as I want to reply to Dr. G.  
Knott of Tokio Japan as  
you say in your letter  
I travelled for a time in  
company with the Professor

and his Wife a couple  
of years ago and we were  
delighted with them both  
I think that he is a highly  
intelligent man and a  
very able one in my  
opinion and I want to  
let him know if there is  
any chance of his getting  
it apologizing for  
troubling you I am

Very sincerely Yours  
A. A. Gilchrist
