Dear Madam (faint)

I have the pleasure of receiving your letter of the 10th inst. and in reply to inform you that the same has been forwarded to the proper authorities for their consideration. I am, Madam, very respectfully,
Your obedient servant,

Hudson's Bay House.

Dear Mr. Mann

Your favour of the 6th of
July to my address in Montreal
reached me here this morning
and I thank you for it and
its enclosures.

So far I have merely been able
to glance at their contents
I am wholly in accord with you
that to omit the provision for efficient
teaching to meet the preference to

laying out an unreasonable sum
sums on ornate buildings and I
have no desire to see in this
way. Your recommendations
as to the address which would
suffice on the Parkman House
are certainly not extravagant
in character and I trust it may
be possible to carry them out
before long.

I intend going to New York
by the Northern sailing from
Newport this day week about
and will have my name sent
you in Montreal on your return
from Montreal where I hope you are having
some enjoyment to the last of your
stay in Montreal.
William Dawson
Dear Sir
