Dear Sir William

May I take the liberty of introducing to you the Rev. Dr. Patterson of Erie Pa., who goes to Montreal to officiate in Cookin Church for a few Sabbaths.

Dr. Patterson is a man of fine talent and cultivation. He would like, while in Montreal, to have the pleasure of making

the acquaintance of one
who has been honoured to
render most valuable service
in defence of the Christian
faith.

Long may you be spared
to "speak with the enemies in
the gate"

Yours sincerely
H. C. C.
