Dear Sir,

In reply to your favour of the 3<sup>rd</sup> inst. with reference to the revision at a reduced price of your "Acadian Geology" we write to say that in our opinion the addition of a few pages on the discoveries since 1878 which you suggest would be well worth making - we could then alter the date on the title page & issue the book as a new Edition. We shall be obliged if when you have had time to prepare these additions you will send us the ms. We will take no further steps in the matter until we receive it.

Yours faithfully  
Macmillan & Co.
