Dear Sir William

Please accept my  
my sincere thanks for  
your kindness in sending  
me a copy of your book  
"Modern ideas of Evolution"  
I shall be delighted, God  
willing, to read it. I  
much needed such a  
book. May the good  
Lord long spare you, dear  
Sir William to continue

earnestly for the  
faith as it is a Christ.

You can obtain  
a hearing. Where I am  
like myself would  
not be listened to for  
a moment. Again

Thank you and  
wishing you every temporal  
and spiritual blessing

I remain Yours sincerely  
Wm. S. Burton

Sir. William Dawson

Please give our united  
kind regards to Lady  
Dawson —
