Dear Dr Spener,

It would give  
me much pleasure to visit  
you in Atlanta, but I fear  
I have no prospect of doing  
so at this time. My  
business here is so bad and  
I am weaker strength, and  
it might be risky to  
travel, especially in such  
cold weather as we  
have at present. I  
would not have you think  
of coming here on purpose,  
but if you should be  
in this part of the state,

My wife and I will  
be very glad to see  
you. After next week,  
I expect to remove  
to Sumnerville Heights  
near Augusta; but shall  
inform you when we  
move. Truly yours  
Jm Dawson

P.S. Have just received  
yours of 7th. With thanks  
JmD
